Picture Day FAQ's

How do I order – NEW – WE ARE PAPERLESS !!

Use the online link above as well as our website to access all pricelists, ordering instructions, samples, etc We will have a limited amount of paper forms on picture day that MUST be submitted 30 minutes before your picture time, however we highly recommend ordering online prior to picture day to save waiting in line, and to make sure your order gets to the photographer on a timely basis.

What information do I need to start order

You will need the SONG NAME and products desired for each dance you are ordering for.

How long is the Online Prepay site Live?

Your link is active now until the end of your picture day. After that, you will need to use the paper forms on site and pay by Cash or Check

What if I want a portrait of my kids together?

Simple. Just list song name(you want the kids photographed together in)at checkout online at "additional options" screen, and choose the "Sibling 8x10 or 5X7 option. In order to make sure this request is photographed, you **MUST** place sibling orders 24 hours in advance

Can I order Digital files of each Dance?

Yes. Digital file \$35 for 1st file/dance. Each additional file desired of remaining dances/songs are available on the additional items screen for only \$15 each with any purchase of packages A through E of the same dancer

How do I order Specialty items(Panoramics, Chalk, Ballet, Graffiti etc)

Specialty items forms are available on picture day. You can also access these art pieces online with the "Speicalty Art" link
